Dinner Club

Objective: To surround ourselves with friends, try new restaurants, have fun, and enjoy adult conversation.

Rules

1. **Organization:**
   - We will meet the 4th Saturday of every month. (Except December.)
   - At least two couples will rotate into a different group each month.
   - Each couple will host at least two dinner clubs each year.
   - No children. However infants are welcome.
   - Please no restaurants with the majority of entrées over $25/person unless agreed upon by the group.

2. **Chair Couple Responsibilities**
   - Remind the Host Couple's it's their month to organize the club.
   - Organize the rotating schedule.
   - Pass out surveys.

3. **Host Couple Responsibility:**
   - Select the restaurant and/or activity for that month. (Anything goes: game night, dinner out, dessert, etc. Please no movies.)
   - The assigned host couple is responsible for sending out an invitation to each member of the club two weeks prior and send an e-mail reminder a couple days before.
   - Make sure the restaurant has the capacity for our group and make a reservation if required.
   - If the majority of one group cannot attend the dinner, the hosts can invite a guest couple or call the other group to see if they can join them.

4. **Couple Responsibility:**
   - Get a babysitter.
   - Each couple should RSVP to their host couple at least a week in advance.
   - If an emergency comes up, call the host couple as soon as possible. This eliminates people from waiting on you at the restaurant and holding up dinner.
   - Each couple should have a great attitude and be willing to try new restaurants, foods, and activities.
   - The participating couples do not need to worry about getting a substitute couple if they are unable to attend.

5. **Likes and Dislikes:** A survey of likes, dislikes and theme meal preferences will be gathered from each member.
